Our F.H.A. chapter is composed of girls in grades 7-12. The purposes of the organization are to help girls gain a better understanding in the fields of Home Economics and to try to gain a better family relationship. We do this by having "Daddy Date Night" and our "Mother and Daughter Banquet." The money raising projects, such as selling Christmas wrappings and corsages, and bake sales, help us to finance a foreign childrens fund. A chapter "Sweetheart" was elected this year to better our relationship with the F.F.A. District meetings are very helpful in planning the year.

Gest, R. Haney, J. Starkey, P. Freshour.

Our F.F.A. is composed of boys in grades 9-12. The club is designed for the purposes of furthering knowledge in the fields of agriculture and family relationship. In the fields of public relations joint meetings are held with F.F.A.'s of different schools and basketball games are played within our school and the other schools. Vegetable, livestock, and soil judging teams have been very successful in the past year. Each February a chapter "Sweetheart" is elected to further the relationship with F.H.A.
